BONUS: The Viral Formula

Every Viral Post Has 3 Elements:

1

Hook (Pattern Interrupt)

First 3 seconds/words must stop the scroll. Use shock, curiosity, or bold claims.

2

Deliver on your hook's promise. Give them something worth sharing.

3

CTA (Clear Next Step)

Tell them what to do: comment, share, follow, save, or click.

✓ **Real Example:**

Hook: "I grew from 0 to 50K followers in 90 days. Here's how:"

Value: [Share 5 specific tactics]

CTA: "Which tactic will you try first? Comment below!"
